

## CERTIFICATE OF ANALYSIS

|                         |                                                                          |
|-------------------------|--------------------------------------------------------------------------|
| <b>Product Name</b>     | Lactobacillus Ferment Lysate                                             |
| <b>Product Code</b>     | AL00313                                                                  |
| <b>INCI Name</b>        | Water, Lactobacillus Ferment Lysate, Hydroxyacetophenone, 1,2-Hexanediol |
| <b>CAS Number</b>       | n/a, 99-93-4, 6920-22-5                                                  |
| <b>Lot Number</b>       | 260222BL2                                                                |
| <b>Manufacture Date</b> | 03/2026                                                                  |
| <b>Re-test Date</b>     | 03/2028                                                                  |

| Item                                 | Specification       | Result   |
|--------------------------------------|---------------------|----------|
| <b>Appearance</b>                    | Opaque liquid       | Approved |
| <b>Color</b>                         | Milky white         | Approved |
| <b>Odor</b>                          | Characteristic odor | Approved |
| <b>pH (20°C)</b>                     | 4.5–7.0             | 6.0      |
| <b>Solid content</b>                 | 0.5–1.0%            | 0.8%     |
| <b>Hg</b>                            | ≤ 1 ppm             | < 1 ppm  |
| <b>As</b>                            | ≤ 10 ppm            | < 10 ppm |
| <b>Heavy metal (as Pb)</b>           | ≤ 40 ppm            | < 40 ppm |
| <b>Total aerobic bacterial count</b> | ≤ 500 cfu/g         | Approved |
| <b>Total molds and yeasts</b>        | ≤ 100 cfu/g         | Approved |
| <b>E. Coli</b>                       | Negative            | Negative |
| <b>Pseudomonas aeruginosa</b>        | Negative            | Negative |
| <b>Staphylococcus aureus</b>         | Negative            | Negative |

### STABILITY AND STORAGE:

Keep in tightly closed container in a cool and dry place, protected from sunlight.  
When stored for a period longer than the one specified above, quality should be checked before use.

**As it is electronically generated document, hence no signature required**
