

TECHNICAL DATA SHEET

Raspberry Pineapple Ornat Fragrance Oil

Product Name: Raspberry Pineapple Ornat Fragrance Oil

Olfactory Classification: Raspberry Pineapple Ornat Fragrance Oil belongs to the fruity gourmand, tropical berry, and soft vanilla fragrance family, characterized by a pronounced tropical, fruity, and delicately gourmand profile. The composition combines notes of green accords, pineapple, wild strawberry, violet, raspberry, vanilla, and tonka bean, creating a playful and elegant naturally derived fragrance inspired by exotic fruit desserts.

Description: The composition is bright, fruity, and gently gourmand, enriched with pronounced tropical and berry nuances. The fragrance exhibits a medium intensity, excellent diffusion, and a pleasant long-lasting trail. The opening is built around green accords, pineapple, and wild strawberry. Green accords provide a natural and refreshing freshness reminiscent of fresh leaves and green botanical notes, while pineapple contributes juicy tropical richness and radiant fruity energy. Wild strawberry introduces a soft fruity sweetness with a delicate fresh character.

The heart of the fragrance unfolds through notes of violet and raspberry. Violet imparts elegant powdery floral nuances and gentle floral softness, while raspberry delivers a rich fruity aroma with a pleasing balance of sweet and subtly tart facets.

The base structure is founded on vanilla and tonka bean. Vanilla provides creamy warmth and a soft gourmand finish, while tonka bean contributes balsamic depth with delicate almond-like nuances and warm sweet undertones that extend the longevity of the composition.

The dominant accords of this composition include tropical pineapple, juicy berries, powdery violet, creamy vanilla, and a soft tonka gourmand profile. The fragrance leaves a playful, elegant, and pleasantly fruity trail with a subtle creamy finish.

TECHNICAL DATA SHEET

Application: Raspberry Pineapple Ornat Fragrance Oil is intended for the manufacture of scented candles, wax melts, reed diffusers, and other naturally derived fragranced formulations. The recommended concentration for wax-based formulations generally ranges from 5–7%, depending on the desired fragrance intensity and the type of base used. This concentration helps preserve the sophisticated olfactory structure characteristic of the Ornat collection of naturally derived fragrances. For wax-based formulations, preliminary testing of fragrance compatibility and fragrance intensity is recommended to achieve optimal results. For maximum permitted concentrations, the relevant IFRA Certificate should be consulted. The fragrance demonstrates excellent stability and a pronounced fruity-gourmand character.

Raspberry Pineapple Ornat Fragrance Oil is manufactured in accordance with European regulations (CLP Regulation (EC) No. 1907/2006 and 1223/2009/EC) and French IFRA standards.
